

CAS-ANSO Scholarship 2027 (Masterâ??s & PhD) in China Fully Funded Guide

Description

www.fullyfunded.info

The CAS-ANSO Scholarship 2027 is offered by the Chinese Academy of Sciences (CAS) in collaboration with the Alliance of National and International Science Organizations (ANSO). It supports international students pursuing Masterâ??s and PhD degrees at selected research institutions in China, including USTC and UCAS. The 2027 application cycle is now open, with applications accepted until 28 February 2027. This opportunity is suitable for talented non-Chinese graduates interested in advanced studies, scientific research, and international academic experience. Applicants must meet the relevant university admission and age requirements.

Note: Available programmes, research areas, and teaching languages vary by institution. Applicants should check the official university programme lists before applying.

How to Apply for the CAS-ANSO Scholarship 2027

Applicants must apply directly through the online admission system of either USTC or UCAS. Applications are not submitted through embassies or separate nominating agencies.

Follow these steps:

1. **Choose a University:** Select either the University of Science and Technology of China (USTC) or the University of Chinese Academy of Sciences (UCAS).
2. **Select a Programme:** Choose an eligible Masterâ??s or PhD programme.
3. **Prepare Documents:** Gather your academic certificates, transcripts, passport, CV, recommendation letters and other required documents.

4. **Complete Online Application:** Register through the selected universityâ??s international student admission portal.

5. **Select the Scholarship:** Choose **CAS-ANSO Scholarship** in the online application.

6. **Submit Application:** Upload all required documents and submit before the deadline.

7. **Referee Submission:** Ensure your referees submit their recommendation letters before the deadline.

8. **Wait for Results:** Follow the universityâ??s admission portal and email for application updates.

Important: Applicants must apply to either USTC or UCAS, not both. Applying to both universities will result in disqualification.
