About the CCP Fellowship Program Germany

The Cross Culture Programme (CCP) funds professionals and dedicated volunteers from up to 40 countries each year. This initiative provides a unique opportunity to spend two to three months working in host organizations in Germany or CCP partner countries. During their stay, participants not only deepen their expertise but also establish valuable contacts and acquire crucial intercultural skills. At the same time, host organizations benefit from the knowledge and networks brought by the CCP Fellows.

The CCP Fellowship goes beyond work-related experiences. Participants can also attend transcultural workshops, networking events, and professional gatherings organized by the CCP. Upon returning to their home organizations, participants bring back their enriched experiences and contribute to their communities.

What Are the Requirements?

To be eligible for this extraordinary opportunity, applicants should meet the following criteria:

1. Be at least 23 years old at the time of application.
2. Possess a minimum of two years of proven professional experience or volunteer work in a civil society organization in their home country.
3. Demonstrate proficient written and spoken English skills.
4. Be in good health for an extended stay abroad.

Desirable qualifications include:

1. Long-term social engagement.
2. Full-time experience in their field of work.
3. Ongoing or planned collaboration with an organization in the target country.
4. Proficiency in additional languages, especially German.
