Research Scholarships :

Swiss Government Excellence research scholarships, encompassing research fellowships, Ph.D., and Postdoc opportunities, are open to postgraduate researchers across all disciplines. The minimum qualification required is a masterâ??s degree. These scholarships are designed for individuals planning to undertake research or further studies at Switzerlandâ??s doctoral or post-doctoral level. These scholarships apply to all Swiss cantonal universities, universities of applied sciences, the two federal institutes of technology, and the four research institutes. Only candidates nominated by an academic mentor at one of these higher education institutions will be considered.

- Research Fellowship
- Ph.D. Scholarship
- Postdoctoral Scholarship

Art Scholarships :

Swiss Government Excellence Art scholarships are designed for art students seeking an initial masterâ??s degree in the arts in Switzerland. These scholarships are applicable for study at any Swiss

conservatory or university of the arts. Please note that this scholarship is available to students from a select number of countries only. The Swiss Government Excellence Scholarships 2024-2025 form a crucial part of the Swiss Governmentâ??s global initiative for education, research, and innovation. Students worldwide pursuing Masterâ??s, Ph.D., and Post-Doctoral degrees are invited to apply for these fully-funded scholarships in Switzerland. However, the research stipend is exclusively available to highly driven Ph.D. and Post-Doc students. The international Swiss Government Scholarship is specifically open to students who have obtained a masterâ??s degree. This rigorous scholarship program is ideally suited for curious, innovative, open-minded, and enthusiastic students about cultural exchange.

Selection Criteria for Swiss Government Excellence Scholarships

Applications undergo an initial review by the relevant national authorities and/or Swiss diplomatic representation. Those shortlisted are then evaluated by the Federal Commission for Scholarships for Foreign Students (FCS), which makes the final decision.

The FCS evaluates scholarship applications based on three criteria:

- The applicantâ??s profile
- The quality of the proposed research project or artistic work
- The potential for synergies and future research collaboration

The FCS, comprised of professors from Swiss public universities, makes scholarship award decisions based on academic and scientific excellence.

Awards Announcement The FCS will disclose its decisions on the new scholarship awards no later than the end of May.

Future Prospects The FCS will select scholarship recipients for the 2024-25 academic year by the end of May 2024. Scholarships for the 2025-26 academic year will be publicized online starting from August 2024.â?•
