

UPG Leadership Class 2024 in USA | Fully Funded

Description

Are you a passionate citizen, aged 18 to 35, who believes your actions can support your local community and that every small positive action can make the world a better place? Then you are welcome to apply for the [UPG Leadership Class 2024 in the USA](#). UPG, a global community of Sustainability Leaders, invites individuals like you to join their 2024 Program and become a part of a movement that is changing the world.

UPG Sustainability Leadership: Empowering Change

UPG Sustainability Leadership is a powerful movement that mobilizes individuals and organizations to support positive citizen leadership on sustainability. This movement encourages citizens at all levels to take positive action, emphasizing that everyone can contribute to making the world more sustainable. Sustainability, for UPG, encompasses a wide array of issues, including environmental concerns like planting trees and managing energy, as well as social issues such as education, health, jobs, and gender equality.

UPG utilizes the [United Nations Sustainable Development Goals](#) (SDGs) as a guide in their mission. The flagship activity of this movement is the UPG Sustainability Leadership training program, which annually brings together over 500 young adults from across the globe, empowering them to be change-makers in their communities.
